PORN DENMARK

Porn is a ritual. In ancient times, porn was used by both male and female occult shrine and temple prostitutes to worship incorporeal entities (demons).

They prostituted their bodies as a form of religious sacrament and worship. In doing so they were initiating many host bodies for the incorporeal entities to use (demons).

Those incorporeal entities have been here on earth since days of old, when their forefathers, who were angels lusted after the daughters of men and came down to earth and took for themselves wives who bare a hybrid race of beings, who upon death, became the demonic entities. The women also of these fallen angels became demonic sirens.

These fallen angels taught all witchcraft and occult knowledge. They taught them MAGIC, SORCERY, INCANTATIONS, CHARMS AND SPELLS. *Charm is the power or quality of giving delight or arousing admiration. *Spell an invocation or hex, a set of words, spoken or unspoken, which are considered by its user to invoke some MAGICAL effect. Spells can be used in calling upon or summoning a demonic spirit and may employ mind altering substances AND PORN.

Porn is thus a means of summoning the demons.

Today porn has an astronomical impact on the human race. There are 12.5 videos of porn for every person on the planet. Porn is now arguably bigger than all the world religions combined.

In 2017, pornhub site alone received 28.5 billion annual visits from porn pilgrims. A total, 595,482 hours of video were uploaded to pornhub, the equivalent of 68 YEARS of porn if watched continuously and enough data to fill the storage of all of the world's iPhones!

When watching and indulging porn, one essentially enters into an altered and highly suggestible state of consciousness.

The porn triggered trance makes people wide open to demonic entities that feed off of sexual perversion causing many people to be insatiable, addicted, aggressive, depressive and indulging in all manner of wickedness.

Just like many mind altering drugs, porn causes massive addiction. Unlike drugs which many have to pay for, porn is freely available, because it is a portent weapon the illuminati use to further their evil agenda.

When porn went digital, the industry was consolidated and taken over by powerful shadow interests. Those interests are represented by a handful of giant corporations.

These corporations make their money through big data. They sell data to many corporations who take advantage of the entranced and highly suggestible porn users to advertise many things to them in billions of ad impressions a day. In this way, porn users are prostituted to make money for many illuminati corporations.

The real masters and controllers of the illuminati are demonic entities which thrive off of sexual sin and other related transgressions.

Porn is thus an evil illuminati Babylonian sex magic psyop, deployed to influence billions of people to accept and obey the illuminati agenda. It is a weapon of mass destruction, facilitating the evil agenda against mankind and creating many mind controlled slaves.

When one visits a porn site, their bodies, computer or mobile device essentially gets inhabited, tagged and tracked by demons and also by the illuminati technology.

Porn websites know so much information about users. They are essentially **BIG BROTHER WATCHING YOU** and they continue watching you long after you visited their site even if you did not subscribe, even if you are offline.

The last page in this publication details the one and only proven and tested way out of porn.

Please share this publication which includes free big porn data with as many as you can, this information needs to get out to the masses.

Pornhub & Denmark

[0 comments](#) March 9, 2015

The Pornhub statisticians just can't seem to quit Scandinavia. After stints in both [Norway](#) and [Finland](#), we couldn't help but be curious about the Pornhub habits of the inhabitants of the Kingdom of Denmark. As a continuation of our quest to unearth porn stats in all corners of the world, we're digging deep into that Danish Pornhub data to see how the country that brought us LEGO gets down with the best site in the world – let's get started!

REALLY GREAT, DANES!

The country that ranks 31st worldwide in terms of how many visitors it brings to Pornhub happens to have a rather high proportion of female viewers, 28% to be exact according to our anonymized demographics data provided by our analytics software. At an impressive 5 percentage points over the the 23% worldwide average, Denmark joins the ranks here with countries like [Brazil](#) and [Argentina](#), whose female viewer proportions stand strong at 28% and 29% respectively. As we mentioned in our 2014 year in review, certain countries that ranked highly on the Global Gender Gap

Report, such as Finland and the Phillippines also appeared to have a relatively high proportion of female viewers. Ranking at 5th place of 142 countries, Denmark appears to be further proving our theory.

| 4 | Big Tits | 9 | Babe |
| 5 | Reality | 10 | Mature |

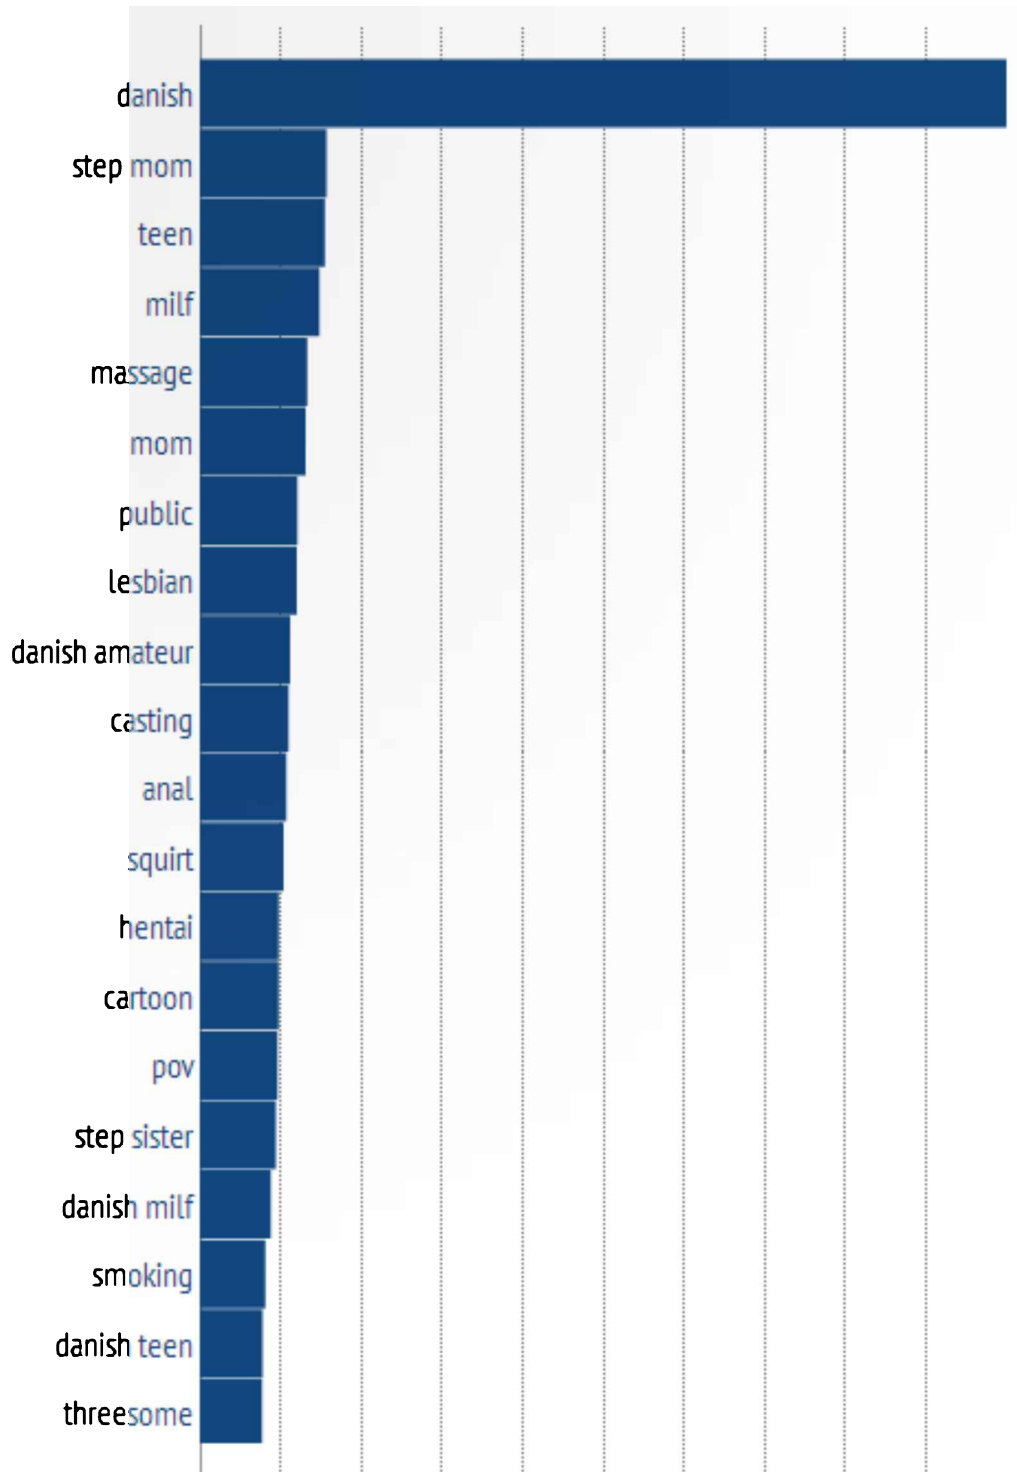

Interestingly, Denmark also breaks the mold when it comes to when they are most and least active on the site. Again as seen in the 2014 Year in Review, Mondays tend to be when people flock to Pornhub, likely to ease into the start of the work week. Sundays are actually the busiest day for Pornhub in Denmark, possibly because they don't feel the sting of the work week starting as badly, in that this country actually boasts one of the shortest work weeks in the world at an average of only 33 hours.

Denmark Insights Most Popular Searches

Pornhub

Search terms excluding porn stars.

pornhub.com/insights

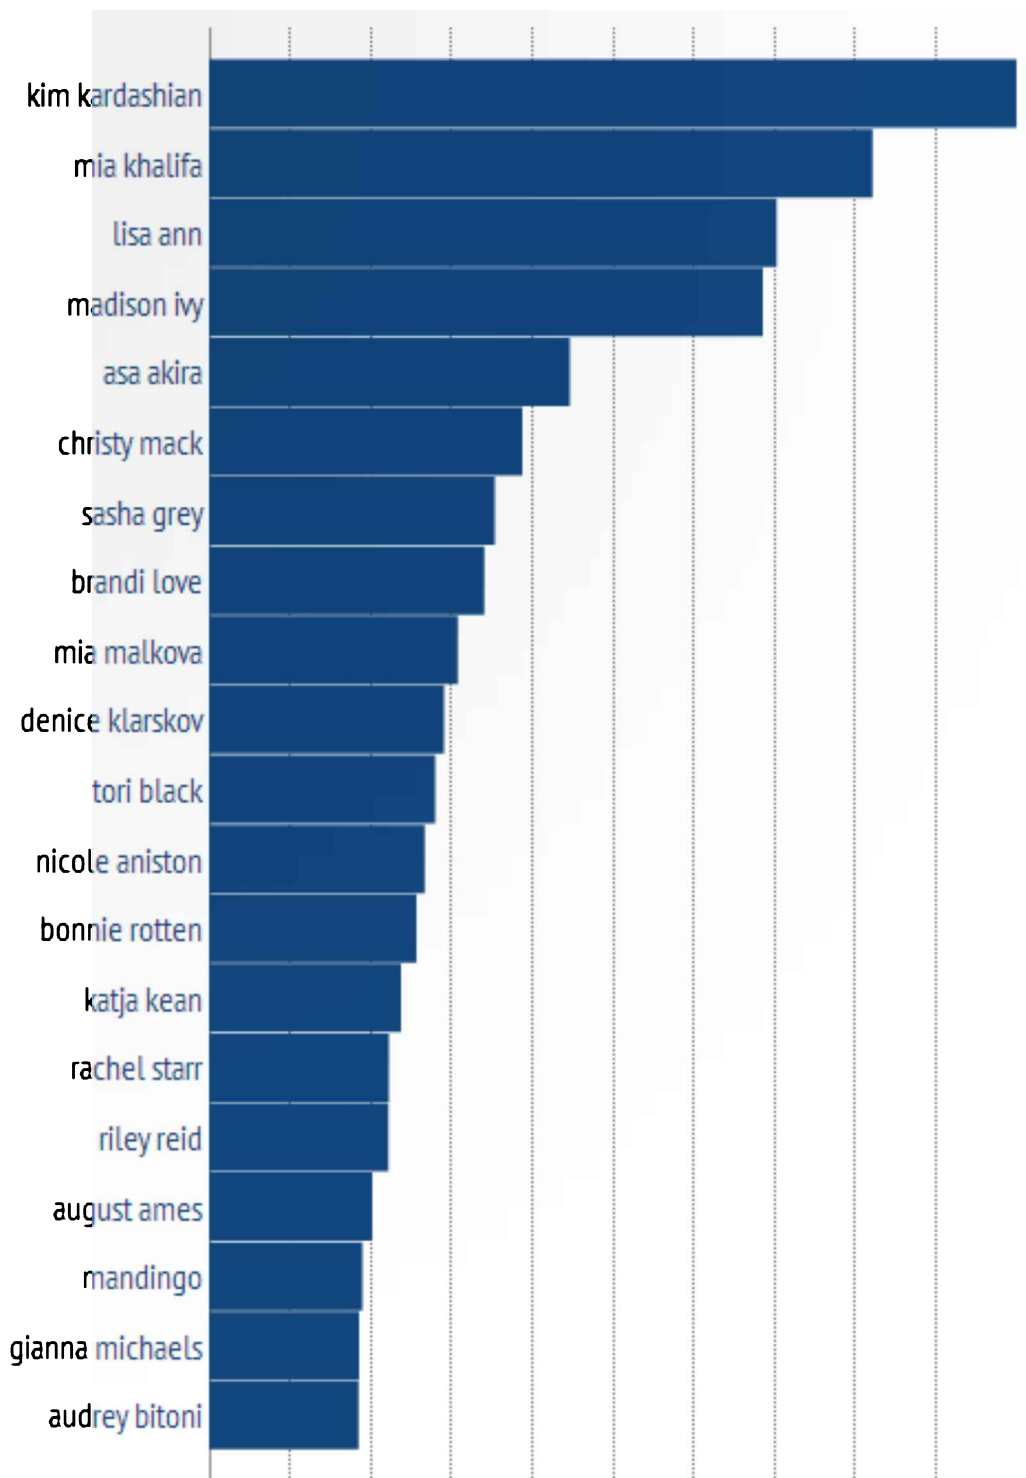

If that's not enough to inspire patriotism, these search terms just might. As we have seen in several countries before like Croatia and the Czech

Republic, a country's most popular search terms tend to be oriented around it's nationality. Denmark again proves this to be true with 'danish' leading as the top searched term in the country by far, followed by 'danish amateur,' 'danish milf' and 'danish teen' all finding themselves within the country's top searched terms.

Denmark Insights Most Popular Porn Stars

Pornhub

pornhub.com/insights

The Danes also show some pride in regards to their own when it comes to the adult industry. Though everyone's favorite porn turned reality star Kim Kardashian tops the list, Danish dames Denice Klarskov and Katja Kean both rank within their homeland's top 20 most searched for stars. Support

your local porn stars!

DANE AND DASH

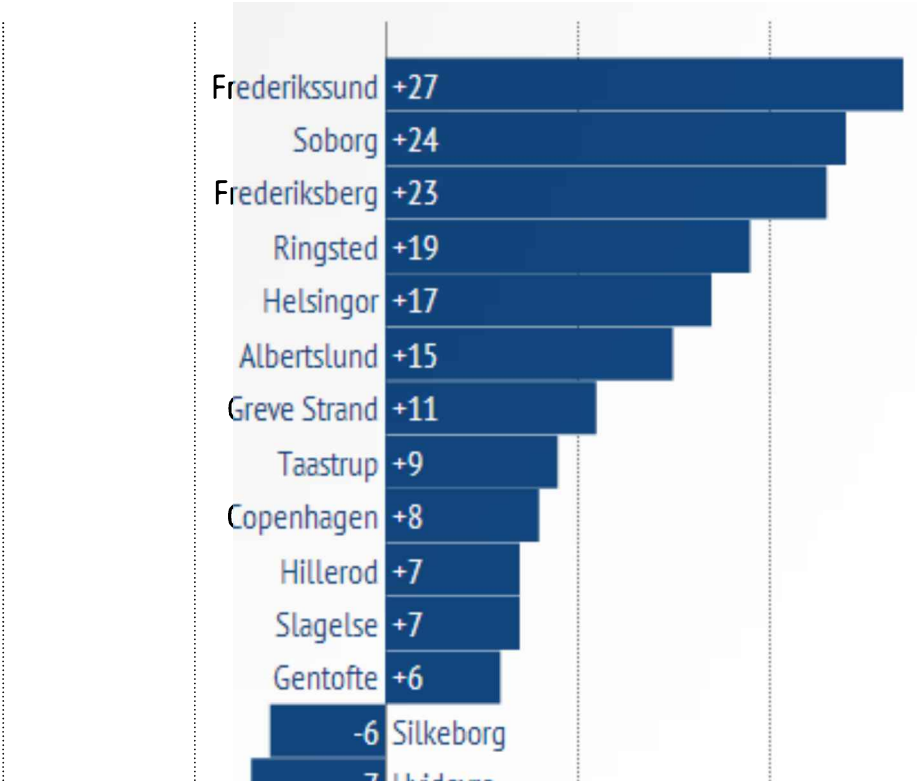

As indicated in the quick stats graphic we started out with, Danes get the job done in around 8 minutes and 40 seconds when they log on to Pornhub. This clocks in at over 30 seconds quicker than the international 9:16 average, but there is quite a range when we look at average session durations throughout the Kingdom. For instance, over in the coastal city of Aabenraa, sessions last a whole 24 seconds less than the national average. According to our research, the city has a significant German population, so this lower than average time may have to do with these expats keeping true to the German 8 minute average session time.

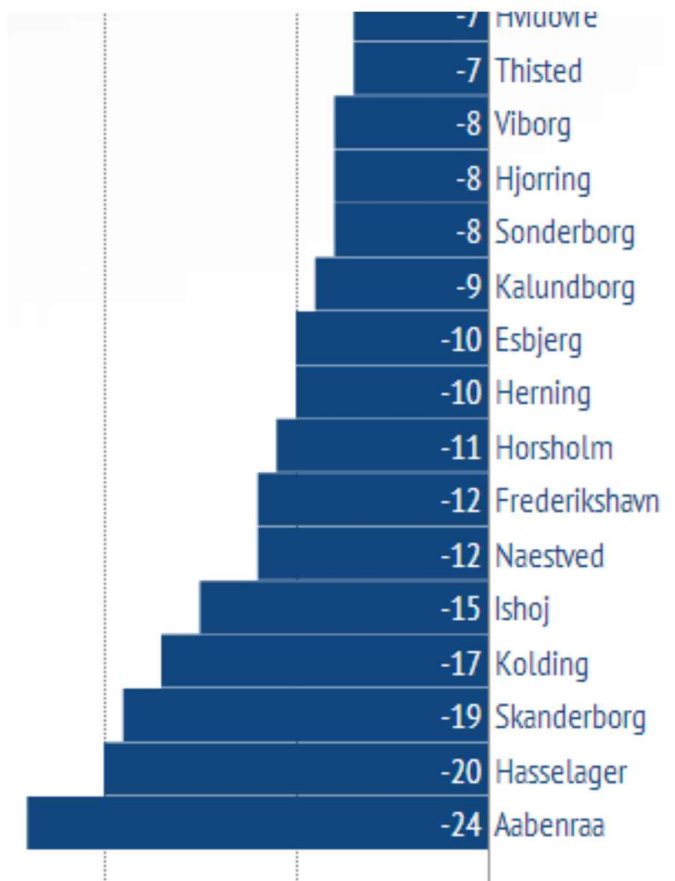

Denmark national average visit time.

8 mins 40 secs

Regional difference in seconds.

pornhub.com/insights

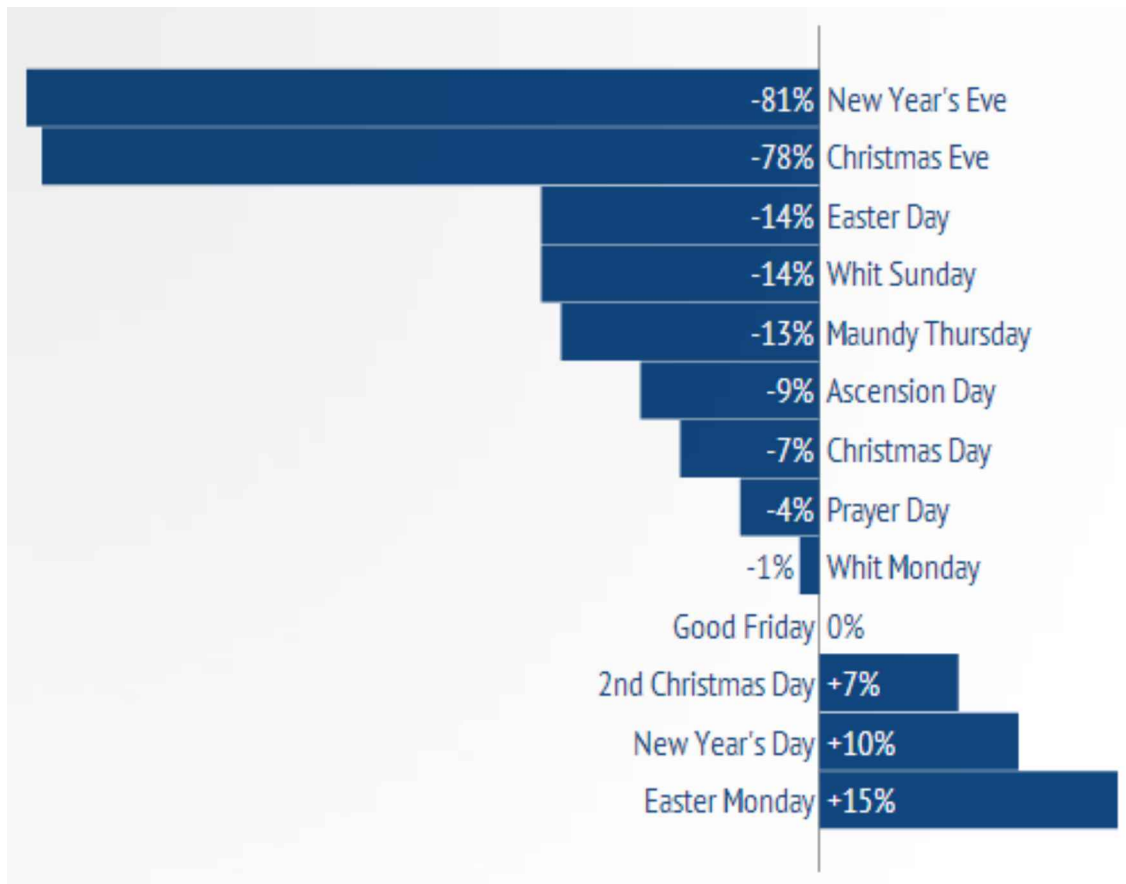

Over in the capital city of Copenhagen, they go for an additional 8 seconds but it's the market town of Frederikssund that really takes the cake with their nearly 30 second gain over the national average. Home to the annual Viking Games, this quaint part of the country's average session duration nearly matches the global 9:16 average.

DANISH DOWNTIME

The holidays tend to cause some pretty significant traffic drops on Pornhub. 2014's Year in Review proved that on average, traffic slows by around 44% on New Year's Eve and around 40% on Christmas Eve. Much like the Netherlands and neighboring Sweden, Denmark's drops are significantly more drastic on these holidays, at 81% and 78% dips respectively. Resurrections of a different type are being celebrated on Easter Monday however, where traffic actually increases by a notable 15%

Percent change in traffic compared to an average day.

pornhub.com/insights

We'll finish off here with a look at Pornhub traffic shares in Denmark by device. Though the Danes are a significant 10% below the worldwide average for smartphone use, they beat out the international average for tablet traffic shares by a significant 6%. Only the United Kingdom, Canada and Australia had really comparable market shares in this regard, but portable porn is something we should all be embracing!

And with that we'll say *farvel* to Denmark. Are there any countries that you'd like to see profiled on Pornhub Insights? Do you have an awesome idea for a special topic post? Let us know in the comments section below.

Scandinavian Women Insights

[0 comments](#) May 16, 2017

Pornhub Insights has spent quite a bit of time studying the countries of Scandinavia, including [Denmark](#), [Sweden](#) and [Norway](#). In today's report, we're joined by Sweden's [Nyheter24](#) to find out how women in Scandinavia enjoy watching Pornhub, and how they differ from men and [other women](#).

Sweden ranks highest for female traffic at 16th worldwide, followed by Norway at 27, Denmark at 28, Finland at 38 and Iceland at 108. On average, Scandinavian women spend 11 minutes and 14 seconds when they visit Pornhub, which is 36 seconds longer than their male counterparts.

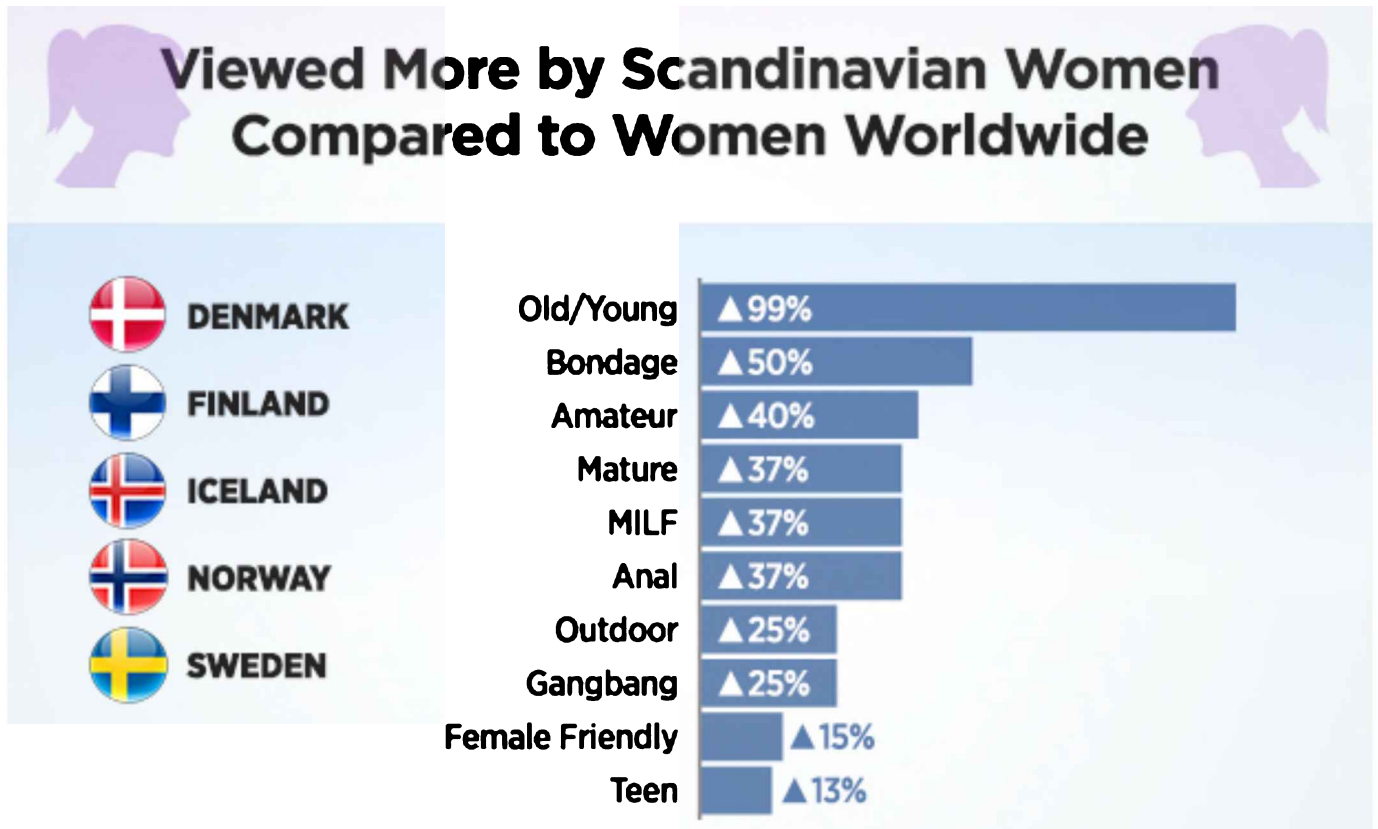

Like elsewhere in the world, Scandinavian women [search more often](#) for "lesbian" porn, followed by "extreme gangbang". Searches for "Swedish" come in 3rd, and "Danish" also makes the list of top searches across the region.

Porn

Compared to women elsewhere in the world, Scandinavian women proportionately view the “Old/Young” category 99% more often, followed by “Bondage” which is 50% more popular and “Amateur” 40% more popular.

Porn

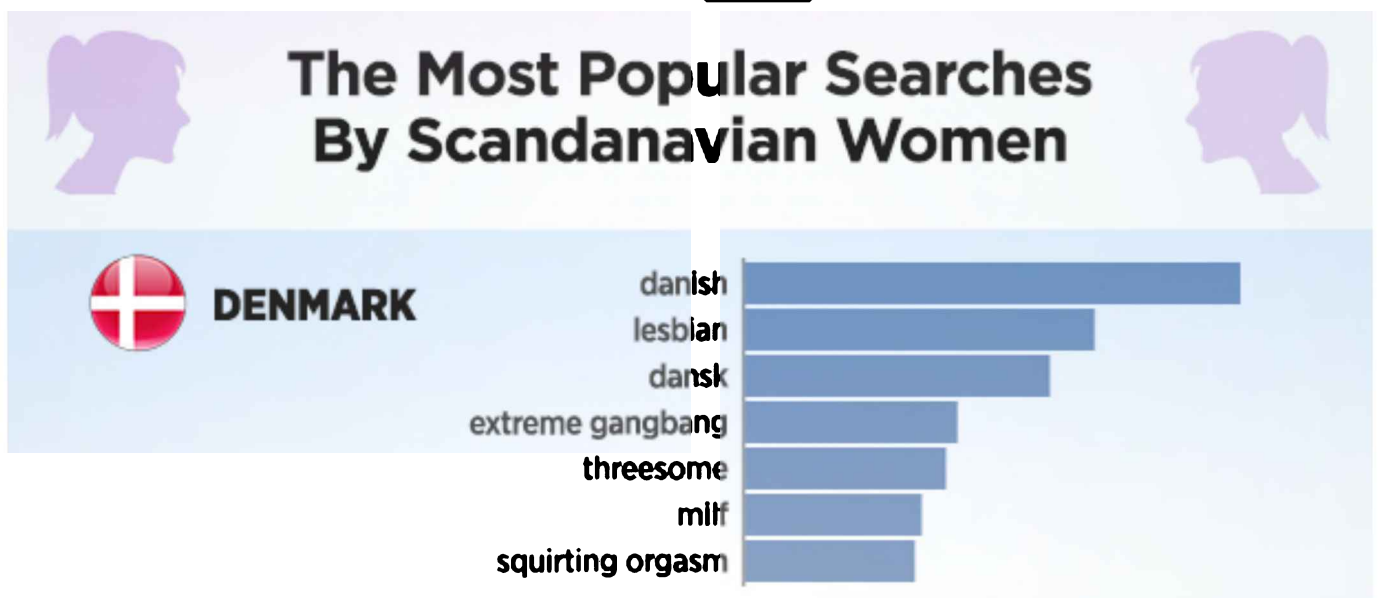

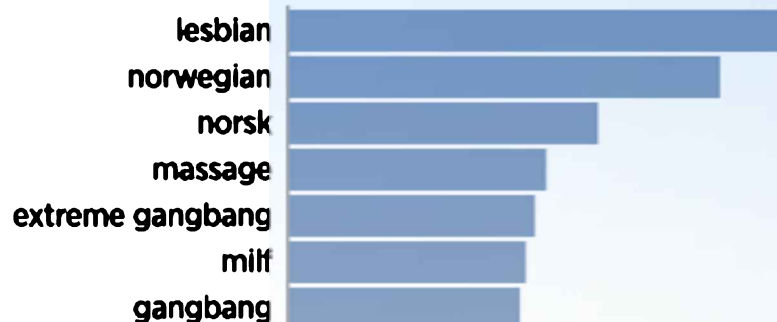

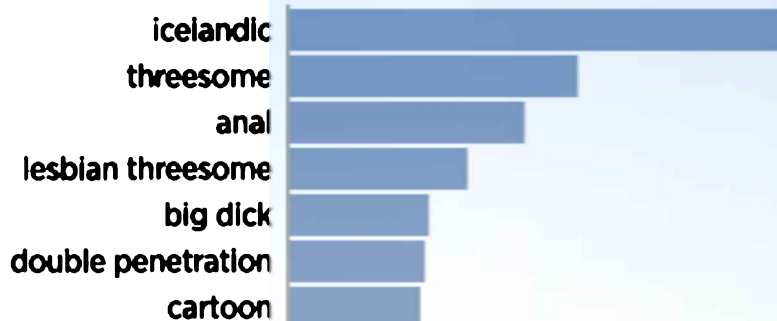

Percent different in category popularity when compared to women elsewhere in the world

pornhub.com/insights

In each country, women tend to search more often for videos featuring their fellow citizens. “Danish”, “Icelandic” and “Swedish” rank first in their respective countries, while “Finnish” and “Norwegian” take a back-seat to “lesbian” in those countries.

Porn

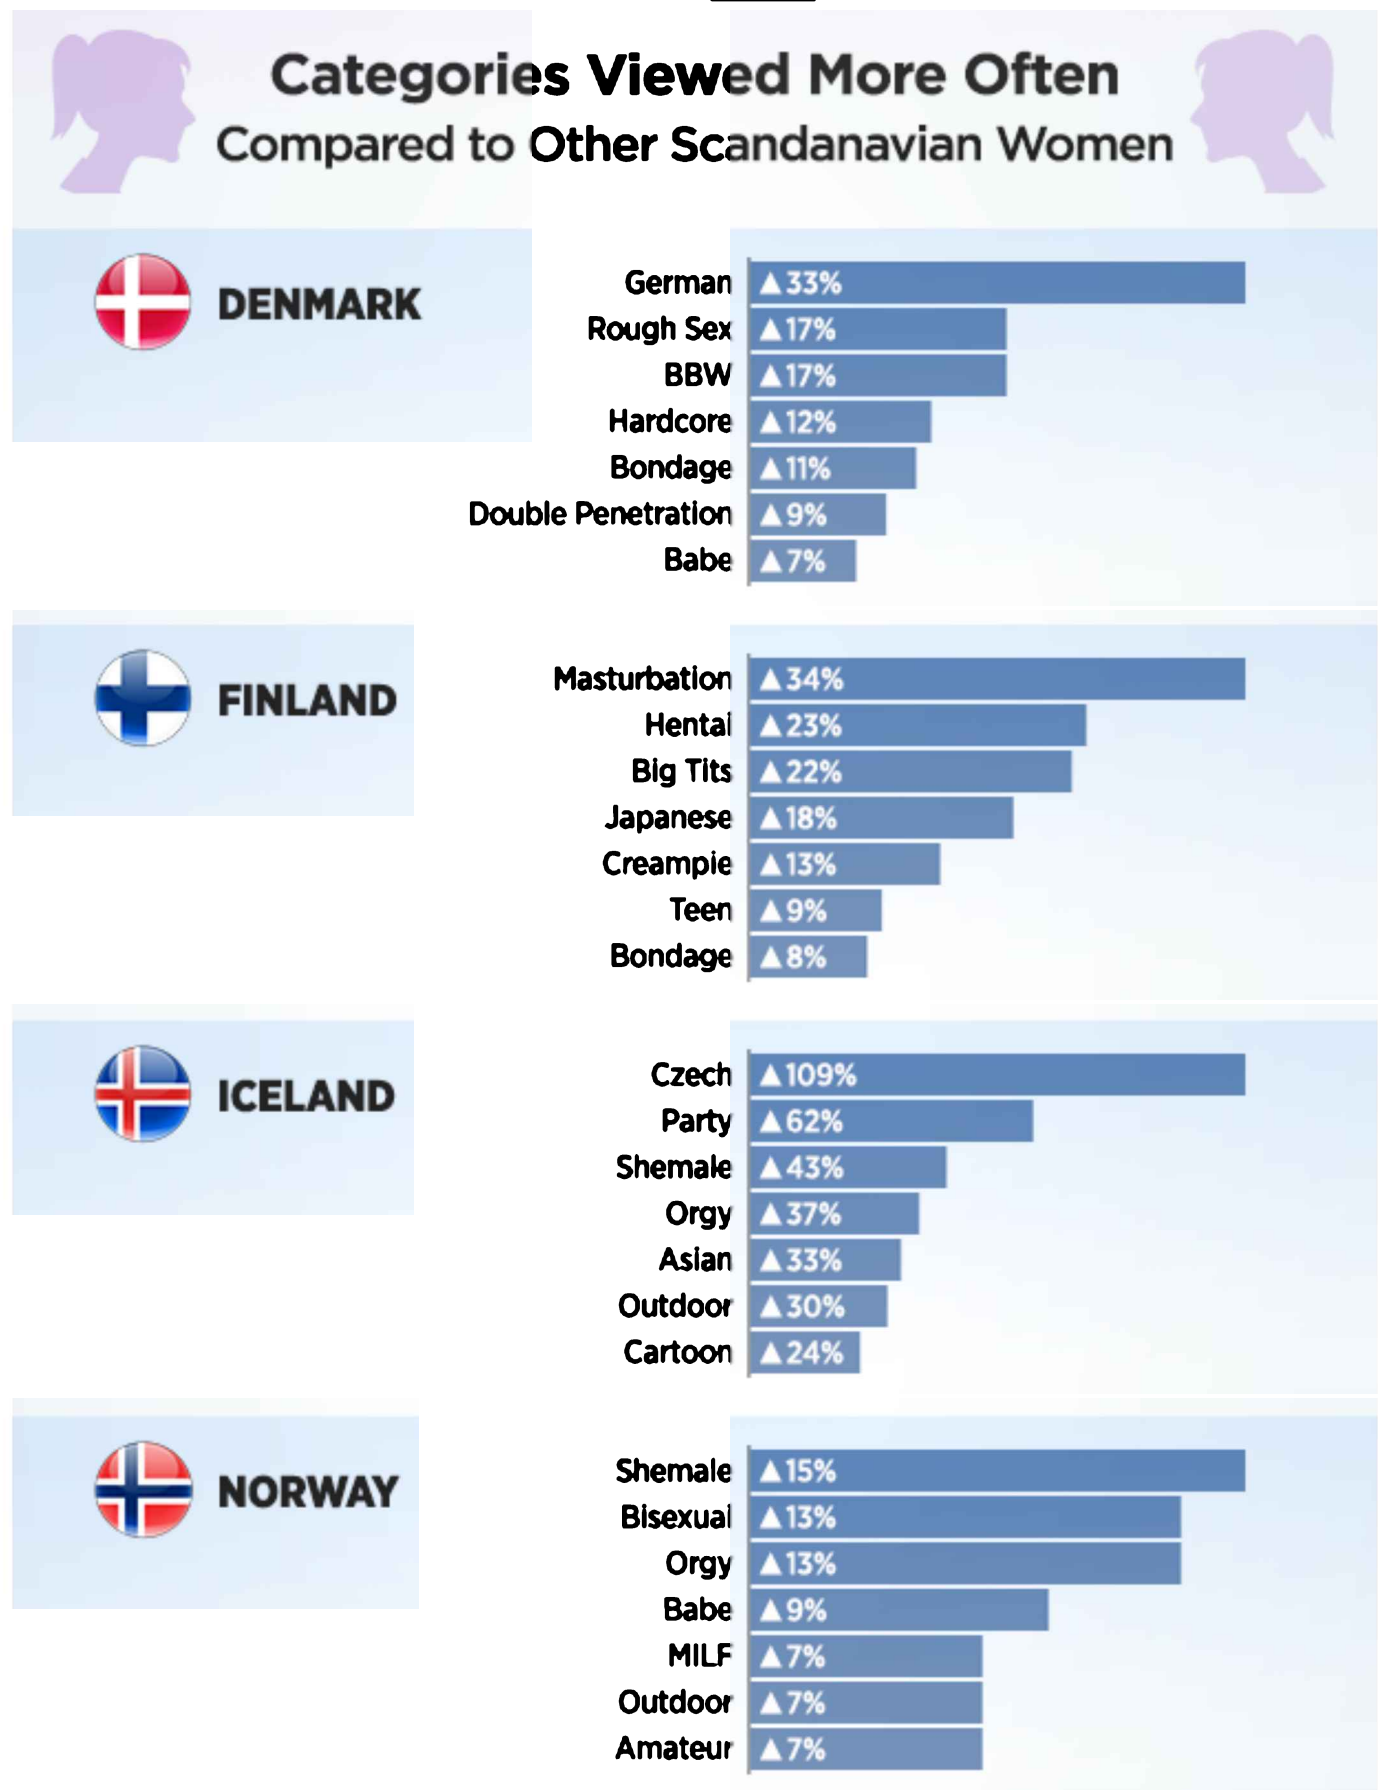

[pornhub.com/insights](https://www.pornhub.com/insights)

When compared to women elsewhere in Scandinavia, women in Denmark are 33% more likely to view the “German” category, and 17% more into “BBW”. In Finland, the “Masturbation” category is 34% more popular with women, and “Hentai” 23% more popular.

In Iceland, women view the “Czech” category 109% more often, and “Party” 62% more. Norway finds transgender videos in the “Shemale” category

15% more appealing, as well as 13% more for “Bisexual”. In Sweden, women are 20% more likely to view the “Arab” category.

pornhub.com/insights

Compared to men in their respective countries, most Scandinavia women are around 300% more likely to view the “Pussy Licking” category, with the exception of Icelandic women. In most countries, the “Female Friendly” category is also significantly more popular with women.

Porn

Categories Viewed More Often Women Compared to Men

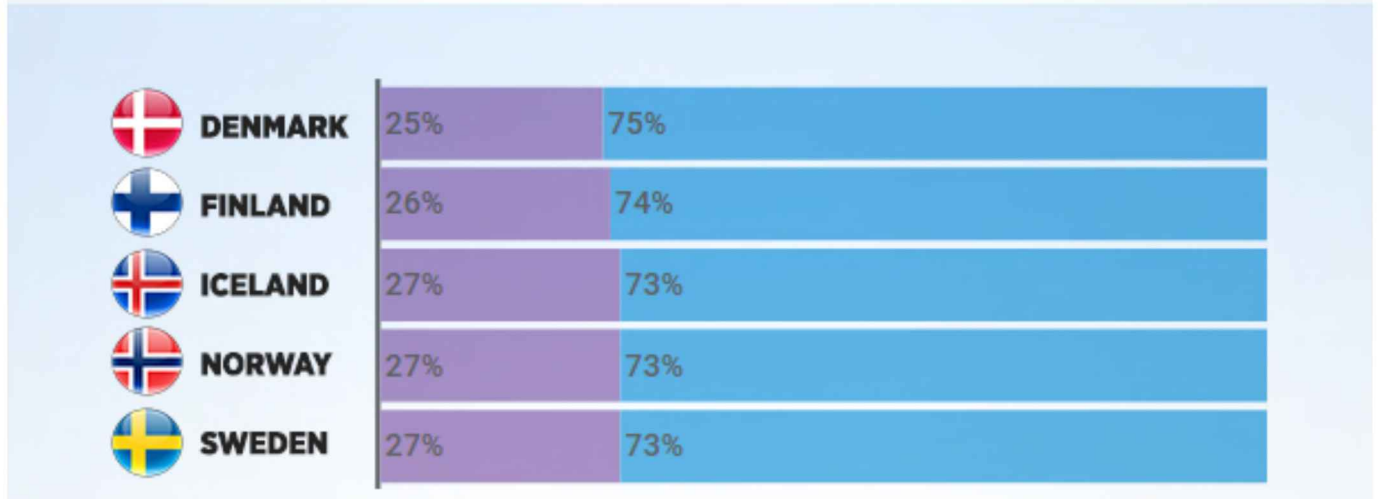

Percent different in category popularity
when compared to men in each country

[pornhub.com/insights](https://www.pornhub.com/insights)

27% of Pornhub’s visitors from Sweden, Norway and Iceland are women — matching the worldwide average. In Finland, 26% are female, and Denmark 25%.

The age of female visitors differs greatly between Scandinavian countries. Denmark’s female porn viewers are significantly older, with only 47% being Millennials under the age of 35. Compare that to Sweden, where 62% of female visitors are under 35. The 18-24 age group is by far the largest in Finland at 37%. Norway has the most 25-34 year olds at 32%.

Age and Gender Proportions of Scandinavian Women

● Female % ● Male %

● 18-24 ● 25-34 ● 35-44 ● 45-54 ● 55-64 ● 65+

The kingdom of heaven has come near !

Porn Deliverance

I say to the true people of God, now you must come out of her! Come out of pornography!
Come out of mystery babylon, the harlot!

Then I heard another voice from heaven say:

“**Come out of her, my people,**
so that you will not share in her sins,
so that you will not receive any of her plagues;
for **her sins are piled up to heaven,**
and **God has remembered her crimes.**” Revelation 18:4-5

Those who want to come out of pornography and never return to the filth, let us repent
and return to JESUS right away,

Say,

Dear Jesus, Mighty Father, Precious Holy Spirit. I am sinner. I have sinned against you and
against my own body, which is the temple of the Holy Spirit. I have defiled your temple
with sexual sin, pornography and wickedness. I have become the body of the harlot.
Please forgive me. Disconnect me from the mystery babylon spirit and all unclean spirits.
Disconnect me from filthy jezebel. Disconnect me from all ties to demonic spirits.
Disconnect me from spiritual ties to satan. Make me clean LORD JESUS, make me once
again into the temple of the HOLY SPIRIT. Help me not to be defiled again. Help me
JESUS not to return to sexual sin and porn. I repent of idolatry, lies, and all wicked acts.
Please forgive me. Today I am born again and I am receiving you JESUS, I am receiving
you FATHER, I am receiving you HOLY SPIRIT. Amen.

WARNING!

“**Flee from sexual immorality.** All other sins a person commits are outside the body, but
whoever sins sexually, sins against their own body. Do you not know that **your bodies are**
temples of the Holy Spirit, who is in you, whom you have received from God? You are
not your own; you were bought at a price. **Therefore honor God with your bodies.**” 1
Corinthians 6:18-20

If you REJECT THIS INSTRUCTION, THEN YOU HAVE REJECTED GOD, for it is
written,

“For God did not call us to be impure, but to live a holy life. Therefore, anyone who rejects this instruction does not reject a human being but God, the very God who gives you his Holy Spirit.” 1 Thessalonians 4:7-8

May the LORD JESUS write and keep the names of all who have repented here. Amen.

Shalom.
